# Oxford Dictionary of National Biography

**'Rejoice, rejoice... the great publishing event of 2004'** THE TIMES

**The Oxford Dictionary of National Biography is now available in a 60-volume print edition, and *online*.**

## **A vast and authoritative resource...**

- Over 50,000 specially-written biographies of those who have influenced the British past – from the 4th-century BC Greek explorer Pytheas to the author Malcolm Bradbury who died in 2000
- 10,000 portrait illustrations

## **Extended coverage...**

- All biographies included in the original DNB have been re-written or revised
- Includes 13,500 new people from all historical periods, including 3,000 women
- New articles about families and groups – from the Tolpuddle Martyrs to the Nawabs of Bengal
- New biographies of people from former British colonies and the Commonwealth – from the founding fathers of America to those who influenced politics and society in Australia, New Zealand, Canada, India and Africa

## **Broad and contemporary reach...**

- Rock musician Jimi Hendrix, fashion designer Ossie Clark, and suspected murderer Lord Lucan now feature alongside more traditional subjects
- Explore the lives of famous figures from recent history including Princess Diana, Stanley Kubrick, Barbara Cartland, and Robert Maxwell

## **THE ONLINE EDITION offers...**

### **Unprecedented desktop access to...**

- The full text of the new 60-volume print edition
- The full text of the original 33-volume DNB
- Regular content updates

### **Vast range of search options and links...**

- Search for people by name, nickname or pseudonym, occupation, place and date of birth, education, religious affiliation, and more
- Search in full text for places, institutions, and organisations
- Search bibliographies, and listings of archives and likenesses
- Extensive internal cross-referencing
- Reference linking from bibliographies and footnotes
- Thousands of links to related websites

# Oxford Reference Online: Premium Collection

# Oxford English Dictionary Online

OED  
Word of the Day  
now available  
by e-mail

**'The ultimate authority on the English language...'**

THE TIMES

**The Oxford English Dictionary is widely acknowledged to be the most authoritative and comprehensive dictionary of English in the world.**

It is also the definitive record of English language development, tracing the evolution of more than 600,000 words over the last 1,500 years through 2.5 million quotations from a wide range of sources.

## **A vast and unique resource...**

- Unrivalled access to the full text of the 20-volume Second Edition and 3 Additions Series volumes
- Definitions of over 600,000 words plus more than 2.5 million quotations showing how words have been used over the last 1,500 years
- Quarterly updates comprising at least 2,000 new and revised words
- Expanded coverage of world English, and terminology from specialist areas such as the arts, science, medicine, history, and the social sciences
- Also offers the best in etymological analysis, listings of variant spellings, and shows pronunciations using the International Phonetic Alphabet.

**Explore the English language as never before possible...**

- Choose from a wide range of search options – everything from simple word and proximity searching to Boolean and phonetic searching across one or more fields in the Dictionary
- Search for words which originate from another language and/or during a particular period
- Search for first cited dates, authors and works
- Search pronunciations, perform case-sensitive searches, or search for a particular part of speech
- Use wildcards if you are unsure of a spelling or want to search for words with particular characteristics

*'an essential acquisition for all libraries. The range of possibilities and enhanced value over the print is astonishing.'* LIBRARY JOURNAL
