### Did you know?

Springer, Birkhäuser, and Princeton Architectural Press count many outstanding architects and designers among their book authors. The most famous one is Le Corbusier, the father of modern architecture. Many other award-winning architects have published their complete works with us, including Herzog & de Meuron, Jean Prouvé, Frei Otto and many more.

Springer eBooks in Architecture, Design and Arts –  
Your gateway to state-of-the-art publishing

Less time  
searching,  
more time  
researching

### Springer eBooks

Springer, the world's largest international publisher of scientific books introduces the world's most comprehensive digitized scientific, technical and medical (STM) book collection. The Springer eBook Collection offers the first online book collection especially made for the requirements of researchers and scientists.

The **Springer eBook collection** will increase the rapidity of newly published research and uses the portability, searchability, and unparalleled ease of access of PDF and HTML data formats to make access as convenient as possible. Readers

will have access to millions of searchable pages which connect seamlessly with Springer Online Journals to create an unparalleled online reference tool.

### Benefits for Librarians:

- ▶ Dramatically broader access to quality content from Springer
- ▶ More value for book budget
- ▶ Unlimited access and use
- ▶ Less shelf space needed
- ▶ No risk of damage and theft
- ▶ Higher usage and visibility of content
- ▶ No shipping and handling costs
